What was your overall first impression of the website?

Fantastic overall.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

Easy to use and move around to get the information I need.

What do you feel are the most effective design elements of this web portfolio?

Clean and points to the information needed.

What would you suggest being changed with the design or content of this web portfolio?

Very well put together. I don't see a change needed.
